

A Single Shard Scrapbook

This project will be a character study of the main character in the book, and it will take the form of a scrapbook. You are to create the scrapbook as if the main character put it together.

Scrapbook Cover

The scrapbook cover should include the title of the novel, the author's name, the main character's name (you are creating this scrapbook as if it were put together by the main character), and your name.

Part One - Journal Entry

Write a journal entry from the main character's point of view that gives a summary of the novel. The journal entry should:

1. Be written in complete paragraphs.
2. Include a brief description of the following: main characters, setting, major events, and conclusion
3. Be written/typed on a sheet of paper and glued into the scrapbook
4. Include a date that reflects the "date" the character wrote it

Part Two - Pictures and Photographs! Five pictures or photographs should be included on this page ("photos" can be drawn, cut out of magazines or be computer generated). Underneath each image, include a complete sentence describing each photograph. Photos should illustrate the following:

1. The main character in a scene from the novel
2. The character's family and/or friends
3. The main character's major accomplishments
4. The setting of the story
5. A picture of your choice

Part Three - Letter to a friend/Letter from a friend Write two letters for this page. Put each letter into a separate envelope and address it to the appropriate character. Place each envelope into the scrapbook pocket.

Letter One

Write this letter from **the main character's point of view** and address it to a secondary character. In the letter, describe the main problem the main character is facing in the novel. Describe the problem in complete, detailed paragraphs using examples from the text to back up why you are writing this in your letter. Use the friendly letter format.

Letter Two

Write this letter from the **secondary character's point of view** to the main character, and in this letter describe the solution to the main character's problem as it happened in the story. Be sure to use complete, detailed paragraphs. Use the friendly letter format.

Letter One: Problem in the story (The main character will write this letter)

Letter Two: Solution in the story (Which secondary character will write this letter?)

Part Four – Diary Entry Write a diary entry from the main character's point of view that reflects the main character's feelings about him/herself. Include how this character has changed from the beginning of the book to the end of the story. Write/type your entry on a sheet of paper and glue it into the scrapbook. Write notes about the main character as you read the novel. Include both physical and emotional changes.

Part Five – Souvenirs and mementos Draw, create, collect, or find at least six souvenirs that the main character would have put into the scrapbook. These objects should reflect events in the story or important aspects of your character. Include an explanation next to each object describing its significance.
