Oak Hall Episcopal School

*An Episcopal Diocesan school under the auspices
of the Diocese of Oklahoma*

GENERAL INFORMATION

Founded:	1977
Grades:	Preschool through Eighth Grade
Motto:	<i>Veritas Magna Est</i> (The Truth is Great)
Mascot:	The Owl
School Colors:	Green and White
Website:	www.oakhallschool.com
Address:	2815 Mt. Washington Road Ardmore, Oklahoma 73401
Telephone:	(580) 226-2341

Mission Statement

Grounded in the intersection of faith and learning, Oak Hall Episcopal School is dedicated to developing each student's fullest potential.

The Episcopal Tradition

Our Episcopal tradition emphasizes the inherent worth and dignity of every individual. We encourage critical engagement with beliefs and values, and believe diverse religious perspectives contribute to a shared understanding of spirituality and human values.

Philosophy

The School's purpose is to fully develop, not merely educate, each student within a Christian environment. The School believes that all children can learn, have special gifts and are unique. Because of this, we strive to provide a challenging academic and developmentally appropriate curriculum for each individual child. We want each child to experience success and to develop and maintain a sense of true worth and the feeling of being personally valued as a contributing member of the School family and as a child of God.

We believe that the complexities of life demand that every person be knowledgeable, productive, responsible, resourceful, and respectful. Therefore, we seek to provide an academic environment that provides a values-centered, character-building education. We want each child to have not only the skills and tools needed to function effectively but also to have the assurance, insight and understanding that will help him/her to be happy in life and make a meaningful contribution to society.

These goals are accomplished by:

1. Maintaining a low student/teacher ratio and by tailoring programs and objectives to our own particular group of children;
2. Providing a curriculum firmly grounded in the basics; with heavy emphasis on reading, language arts, mathematics, social studies, and science;
3. Supplementing the curriculum with enrichment programs to stimulate creativity, analytical thinking skills, and self-growth;
4. Fostering a family atmosphere of mutual concern and by total involvement of administration, parents, teachers, and students in the educational process; and,
5. Participating in chapel regularly and by implementing Christian principles in all classroom and School activities.

Board of Trustees

The primary responsibility of the Board of Trustees is to oversee the welfare of the School and assume responsibility for strategic planning and development. The full board meets once a month.

According to Oak Hall's bylaws, the School's Board of Trustees consists of between eight and twenty members. The Nominating Committee prepares a slate of nominees. Nominees are elected by the full board and must be approved by the Bishop and Diocesan Council. Trustees serve a three-year term. One voting member is the president of the Parents' Association. The Bishop's representative and the Headmaster are *ex-officio*, voting members.

Parents' Association

The Oak Hall Parents' Association was organized in 1978. The mission of the Parents' Association at Oak Hall is to promote and encourage communication between parents, teachers, and administration. The Parents' Association aims to support the teachers and administrators, by sponsoring, organizing, fundraising, and volunteering at School events to enhance and enrich the children's educational, social, and developmental experiences, and to truly act as an Oak Hall Family.

The Oak Hall Parents' Association is primarily a fund-raising organization with several projects each year including the annual auction. They are also responsible for securing homeroom parents for each class, parent volunteers for School activities and other events as needed.

Events include:

- Monthly Treats for students;
- Monthly Treats for teachers/staff;
- Teacher gifts;
- Back to School Night Apparel Fundraiser;
- Grandparents'/Special Friends' Day Volunteers;
- Chili Cook Off & Trunk-or-Treat Volunteers;
- Annual Auction Dessert Volunteers;
- Parent/Teacher Conference Food/Drinks; and,
- Teacher Appreciation Week.

All parents of Oak Hall students are automatically members of the Parents' Association.

Accreditation

Oak Hall is a state-accredited nonpublic school. The School was recognized in 1996 by the Oklahoma State Legislature through the Oklahoma Private School Accreditation Commission.

Oak Hall is also accredited by the Southwestern Association of Episcopal Schools. The School is also a member of the Oklahoma Commission of Episcopal Schools, the National Association of Episcopal Schools, and the National Association of Independent Schools.

POLICIES

Admissions/Re-enrollment

Enrollment for the upcoming year begins in early spring, and current families are given the first opportunity to re-enroll. Enrollment packets are given to all enrolled students. The application forms must be completed and returned to the Director of Development & Enrollment Management with the enrollment fee before a child can be formally re-enrolled.

Positions cannot be held for any student unless an application form is on file and the appropriate enrollment fees have been paid.

Denial of re-enrollment may occur if it is felt by the Headmaster that continued placement at Oak Hall would not be in the best interest of the student or the School. This may apply in certain cases where special education resources are not offered at Oak Hall and/or could be better met at another educational institution.

Financial aid is available for students entering Preschool through Eighth Grade, and its award is based upon need and the availability of funds.

Oak Hall Episcopal School does not discriminate on the basis of gender, race, color, religion, national origin, or any other protected category in administration of its education policies, admission policies, Financial Aid program, athletic and other school-administered programs.

After a period of re-enrollment, enrollment is open to new students. Current Oak Hall students not re-enrolled at this stage may lose their place at the School.

See **TUITION DELINQUENCY**

Arrival and Dismissal

For the safety of our students, drivers are to keep their speed to a minimum. The speed limit on our campus is 5 mph.

Arrival

When arriving at the School in the morning, a staff member will be on duty to greet each child and accompany him/her into the building. During this time, parents may let children out from the right lane in front of the School. **CHILDREN CAN ONLY BE UNLOADED FROM THE RIGHT LANE.** This service is provided from 7:30 AM–8:15 AM. After 8:15 AM, when no staff member is present outside, parents must park in a designated parking space and walk their child into the building. The parent and child must stop at the office to obtain a tardy slip before proceeding to the classroom. All students are considered tardy after 8:15 AM.

Dismissal

School is dismissed for half-day Preschool and Pre-K students at 11:30 AM. Parents picking up half-day students should pull into the main oval and wait in line for their child to be loaded into their car.

All other students are dismissed at 3:30 PM.

Parents of full-day Preschool, Pre-K, and Kindergarten students are to pick up children from the parking lot on the east side of the gymnasium. Please enter the parking lot using the northernmost entrance and pull into the east parking lot to wait in line for the child to be loaded into the vehicle. After the child has been loaded, turn left to exit the campus or turn right to pull into the oval if picking up an older student. **On rainy days, please pick up Preschool, Pre-K, and Kindergarten students in the main carpool line under the portico.**

Parents of older students should enter the main oval and stay to the right to enter the carpool lane or stay to the left to pull through to a designated parking space. In an effort to minimize congestion at the corner of Washington and Veterans, a number of “first arrival” cars will be directed to park across the oval at the south side of the parking area. Parents have the option of walking over to pick up their children at the entrance or a teacher will escort children over to the parked cars.

Unless otherwise directed, when picking up under the portico, CHILDREN WILL BE LOADED INTO CARS FROM THE RIGHT LANE ONLY.

This is for the safety of each child on campus. If your child’s class is not waiting on the bricks, please pull through the oval and wait on the south side of the parking area.

Parents should notify the office if transportation arrangements change for their child. Please note that a child will only be released to an authorized person who is listed on his/her emergency card on file in the School Office.

Do not park in the red zone at the front of the building.

PLEASE DISPLAY YOUR PICK UP CARD IN YOUR WINDOW.

Attendance and Tardies

All students are expected to attend school daily and to meet every scheduled activity or assignment. Parents should endeavor to do their part in having students arrive on time, rested and in good physical health. Parents are asked and encouraged to schedule appointments for their children at times other than during school hours. Should it be necessary for a child to attend an appointment during the school day, please notify the School Office and the classroom teacher of the appointment. Parents should come into the School Office to pick up their child and sign them out. To minimize disruptions, the office staff will call the classroom for the child rather than the parent going to the classroom. It is the responsibility of the student to “make-up” any work missed during the appointment. Upon returning to School, the child must be signed in at the School Office.

If the appointment is healthcare related (eg. doctor, dentist, optometrist, or therapist/counselor) an official note from that healthcare office is required in order to count the absence/tardy as excused.

Attendance is taken daily and absences and tardies are reported to the office. **Please call the School Office by 10:00 AM if your child will not be attending.** It is very important to inform the Office if your child has contracted a highly contagious illness.

Please note that because of teaching schedules and other commitments, teachers may not be able to put together work for a sick child. The policy for work missed due to illness may be found below.

In accordance with Oklahoma School Code, a student may not have more than ten (10) unexcused absences during a semester. Any unexcused absences beyond this may result in the student repeating the grade.

Absences Due to Illness, Accident, Bereavement, or Family Emergencies

Any absence due to illness, accident, bereavement, or immediate family emergency will be considered an **excused** absence ***if the School Office is notified***. Students may be asked to provide written documentation (parent or doctor note) explaining the absence. The student will be allowed to make up any missed work within the following timetable: two days for every missed day. If homework is due on the day your child is sick, it should be handed in immediately upon return. No additional days are automatically given without affecting the grade.

Any student absent due to illness for three consecutive days will require a doctor's note for readmission to School.

Unexcused Absences

All absences other than illness, accident, bereavement, or immediate family emergency are considered **unexcused**. ***Any absence of which the School Office is not notified will be considered unexcused.***

The School publishes a calendar well in advance, making every effort to anticipate the entire school year. Oak Hall encourages parents to schedule vacations or short trips to coincide with School vacations. When this is not possible, it is the responsibility of the student and/or parent to obtain any class work and homework for the student during the period of absence. *The request for work should be made at least one week prior to the departure.* Work allocated for an absence will be due the day the student returns. Extra days for make-up work will not be given for this type of absence. There may be times that some work is held until the student is back at School. In this case the teacher will assign a due date based on when the material has been covered.

Middle School students missing class for a Co-op sporting event are **not** marked as absent. These events are planned in advance, and students should speak with teachers as soon as possible in order to get the work that will be covered. Work missed that day is due to be handed in the next school day.

Early Dismissals

Parents checking students out of School at any time before 3:30 PM must sign the student out in the School Office. Please do not go directly to the classroom. **Six (6) early dismissals will be counted as one unexcused absence.**

Tardies

A student who arrives after 8:15 AM is considered tardy. Any student not present for at least three (3) hours will be counted absent. Six (6) tardies will be counted as one unexcused absence.

Cell Phones/Electronics

The School strongly discourages students from bringing cell phones and other electronics to School. The School will not be held responsible for damage or theft of these items.

If it is necessary for a student to bring a cell phone, s/he must turn it into the Headmaster at the beginning of the day. It will be held until dismissal. Failure to follow this policy will result in confiscation of the item.

Smart watches, Apple watches, and similar devices must not be connected to the internet or phone. The sending or receiving of texts, messages, or calls is not permitted during the school day.

Chapel

All students (Kindergarten – Eighth Grade) must attend chapel daily with their class. Chapel is at 8:15 AM. Parents are invited and encouraged to join us when possible. If your child is in a Preschool or Pre-K class, please contact the classroom teacher for the Chapel schedule.

Communication

Cell Phones

Parents must make every effort to ensure that the School Office and classroom teacher have the most up-to-date cell number. If a phone number changes during the year, it is the parent's responsibility to inform the School Office and the teacher.

Conferences

Parents are encouraged to discuss their child's progress with the teacher. Individual parent conferences are scheduled regarding each student three times a year. It is the School's expectation that parents will attend each of the conferences. Parents may schedule additional conferences at any time throughout the year as the need arises by contacting the classroom teacher. Incidental conferences are seldom satisfactory. Impromptu conferences during arrival and dismissal times compromise confidentiality and impede student supervision. These types of conferences should not be held.

It is important for parents to discuss classroom concerns with the teacher involved before contacting the Headmaster. If the parent does not feel that the concern was addressed, the Headmaster should be contacted. It may be necessary to schedule a meeting with the teacher, parents, and the Headmaster.

Confidentiality

According to the Buckley Act of 1974, a student's records are confidential and are open only to the professional staff and the student's parent(s) or guardian(s). Student permanent records are filed in the School Office. Additionally, all information of a personal nature related to children and/or families will be treated in a confidential nature and will not be shared with anyone without permission from the person initiating the information.

E-Mail

Parents must make every effort to ensure that the School Office and classroom teacher have the most up-to-date e-mail addresses. If an address changes during the year, it is the parent's responsibility to inform the School Office and the teacher.

Monday Reminders

Each week an edition of "Monday Reminders" is e-mailed from the Office. It includes updates for the week and a letter from the Headmaster. Copies are available by request from the School Office.

One Call Now

The School utilizes the One Call Now system as a way to communicate time-sensitive information to families. At the beginning of the school year, the Office sends an “opt-in” message to all contact details on file. Parents must “opt-in” in order to receive messages from the School via this system.

Student Planner

Students in First – Fifth Grades will bring home a student planner that needs to be reviewed daily by parents. The planner includes all short-term and long-term assignments. To help develop students’ organizational skills, parents and teachers should check daily to make sure the planner is being utilized and the student is completing the work.

Website

Parents should regularly check the School’s website, www.oakhallschool.com for the most up-to-date information, lunch menu, and the School calendar.

Curriculum

Oak Hall follows a customized curriculum that encompasses the Oklahoma Academic Standards (OAS) and is supplemented with additional objectives specific to our program.

Daily Schedule

Arrival

- | | |
|---------|---|
| 7:30 AM | Teachers on duty for students who need to arrive early. |
| 8:00 AM | Students proceed to classrooms |
| 8:15 AM | Chapel begins (Any student not present at this time is considered tardy) |
| | Classes begin immediately following Chapel |

Lunch

Please contact the Office or your child’s teacher for lunch times.

Dismissal

- | | |
|----------|-----------------------------|
| 11:30 AM | Half-day student dismissal |
| 3:30 PM | All other student dismissal |
| 5:30 PM | Extended Day program ends |

Teachers are available from 8:00 AM until 4:00 PM, and other mutually agreed times by appointment.

Dietary Restrictions

The School is committed to fostering a safe and supportive environment for all students. While we make every reasonable effort to accommodate students with dietary restrictions, we are not a nut-free, dye-free, or allergen-free school. Our campus – including the kitchen, classrooms, and common areas – may contain or come into contact with allergens such as nuts, dairy, gluten, soy, eggs, and artificial food dyes, including Red 40.

Due to the wide range of sensitivities, dietary requirements, and the potential for cross-contamination, we cannot guarantee that all individual food allergies or dietary preferences can be fully accommodated. This includes specific requests such as avoidance of artificial dyes, organic-only diets, or highly specialized food plans.

Families with students with diagnosed allergies or dietary restrictions must notify the School Office and class teacher in writing and provide medical documentation when appropriate. In collaboration with families, we will work to support the students' needs to the extent reasonably possible; this may include families providing meals and/or snacks from home.

In certain circumstances involving severe or life-threatening allergies, the School may designate a grade or class as being "free" of a specific product (for example, peanut-free). Such designations will be made at the School's discretion based on medical documentation and safety considerations.

To promote awareness and minimize risk, class parents may be informed – at the School's discretion – of any significant, medically documented allergies present in the classroom. However, it cannot be the responsibility of class parents providing treats or snacks for the class to accommodate every individual dietary restriction, allergy, or preference. Families are encouraged to send an alternative treat/snack/meal for their children if needed, and remain responsible for ensuring their children's dietary needs are met.

Discipline

Code of Conduct

Oak Hall's goal of healthy and successful academic development for students requires the direct involvement of everyone; the children, teachers, parents, and staff. We all support and nourish this environment through our attitudes, our behavior, and our concern for each other and the School. Students at Oak Hall are expected to develop and demonstrate a sense of honor and integrity, personal pride and character, and a spirit of cooperation and consideration. Manners and courtesies are imperative to make our school atmosphere a pleasant one. We also believe that the development of self-discipline and positive leadership traits in each of our students are as important as their academic growth. Thus, we will work to foster the emergence of these characteristics, which are vital to the maturation of the child.

We believe that the best way to foster a positive and safe environment for learning is through a set of simple, clear, and consistent expectations for everyone's behavior at Oak Hall.

This will apply to all aspects of our school life, i.e., the classrooms, assemblies, hallways, playground, and field trips.

As a school community in which high Christian standards are both observed and fostered, each student is expected to:

- accept responsibility for him/herself;
- accept responsibility for community property;
- be respectful and courteous to all;
- refrain from actions such as cheating, plagiarism, lying, and stealing; and,
- be on time for each School obligation.

In fostering positive interactions between members of the School community, we recognize there will from time to time be negative behavior exhibited. Not all negative behavior, even though it may be distressing to those involved, is classified as "bullying". The School endeavors to balance an understanding of age-appropriate behavior with the expectations of community life.

Teachers model the Eight Expectations for Living as prescribed by the Great Expectations teaching methodology. These are the guidelines that are expected to direct student behavior. They are:

- We will value one another as unique and special individuals;
- We will not laugh at or make fun of another person's mistakes, nor use sarcasm or put-downs;
- We will use good manners, saying "please", "thank you", and "excuse me", and allow others to go first;
- We will cheer each other to success;
- We will help one another whenever possible;
- We will recognize every effort and applaud it;
- We will encourage each other to do our best; and,
- We will practice virtuous living using the Life Principles.

In order to provide a safe and healthy environment and to promote kindness to others, we have adopted a few additional guidelines:

- Students may not bring toys, audio equipment, or video games to School or on class trips, unless their respective teacher has requested these items for class use. The cell phone policy can be found on page 7 of this handbook;
- Real or play weapons are not allowed at School. Students who bring weapons to School are subject to expulsion; and,
- Illegal drugs, alcoholic beverages, or tobacco (including e-cigarettes, vapes, cigars, pipe tobacco, bides, snuff, chewing or dipping tobacco, and all other kinds and forms of tobacco prepared in such a manner to be suitable for chewing or dipping, smoking (or both) and includes cloves or any other product packaged for smoking) are not permitted in the School, on the School grounds, or at any School function. Students who violate this rule are subject to expulsion.

Disciplinary Procedures

Students almost always respond positively to the personal intervention of faculty when behavior causes difficulties. Matters of discipline are most effectively handled by the teacher. In most instances the student will be removed from an activity or lose privileges. If a student fails to respond to the respectful and reasonable disciplinary efforts of a teacher, the problem will then be taken to the Headmaster. Serious offenses will be reported immediately to the Headmaster.

Detention

Detention will be used only in rare instances. When detention is assigned to a student, it will be up to two-hours in duration, and will take precedence over all other student commitments. The detention may be a school service project, a work detention, or a quiet time detention. Parents will need to arrange for transportation for the child promptly at the end of the detention period. Detention may sometimes be required on a Saturday.

Suspension (may only be imposed by Headmaster)

In-School Suspension

When a student is placed on in-school suspension, he/she is to report at the beginning of the school day to the Headmaster. The student may be assigned a school service project and/or sit quietly and complete classroom work provided by his/her teacher(s).

Out-of-School Suspension

When a student is placed on out-of-school suspension, they will remain at home for a time to be determined and work missed cannot be made up.

Expulsion (may only be imposed by Headmaster)

After the above measures have been taken and the student continually fails to demonstrate improved behavior, the student shall be subject to expulsion by the Headmaster.

For offenses deemed extremely serious, the student may be expelled without earlier measures being used.

No refunds shall be made of prepaid tuition for any child who is expelled. A student's expulsion from the School does not release the parents from their contractual obligation with respect to the payment of tuition and fees. Likewise, if a family is withdrawn, dismissed, or otherwise separated from the School due to the conduct of a parent or guardian, no refunds will be issued, and the parents or guardians remain responsible for fulfilling all contractual obligations regarding tuition and fees. Any tuition, fees, penalties, or other amounts due under the Enrollment Contract remain the responsibility of the parents or guardians, regardless of any Parental Choice Tax Credit, financial aid award, scholarship, or other tuition assistance. If such assistance is lost, forfeited, discontinued, or otherwise becomes unavailable as a result of the student's or family's withdrawal, dismissal, or separation from the School, the parents or guardians shall be responsible for the full amount due under the Enrollment Contract.

Emergency Closing

Oak Hall determines closing for emergency weather conditions separately from the local public schools. If the School chooses to close due to inclement weather, announcements will be made on local television stations, through the One Call Now system, and posted on the School's website.

Emergency Drills

Fire and tornado drills will be held on a regular basis during the school year. Drills will be scheduled at random times so that students have an opportunity to evacuate the buildings from various locations. Exit plans are posted in each classroom. Likewise, lockdown procedures have been established and are practiced.

Extended Day

Extended Day is offered for students who need to stay from **3:30 PM – 5:30 PM**. Parents of any child who comes on a regular basis may pay a flat fee of \$100.00 per month for 10 months. Checks must be made payable to Oak Hall, and are due at the beginning of each month. Drop-ins are accepted at a rate of \$15.00 per day.

Students participating in Extended Day should bring a nutritious snack. Children are expected to follow the general guidelines of Oak Hall. Should a child refuse to follow these guidelines, the Extended Day personnel reserve the right to remove the child from the program immediately.

Children will only be released from Extended Day to a parent or legal guardian or an authorized person (over the age of 18) listed on the student's Emergency Card.

Field Trips

Field trips are an exciting way to enrich our classroom curriculum and are encouraged in instances where experiences will contribute to student growth, maturity, insight, and development. Field trips will be scheduled whenever possible and appropriate. In most cases, the School vans or ACS buses will be used for transportation. There may be occasions when class parents will be asked to drive and accompany students with their classroom teacher. An information sheet will be given to parents prior to each field trip. Parents willing to drive or otherwise assist with field trip supervision must have signed the Field Trip Driver/Volunteer Agreement form in the enrollment packet. A copy of the volunteer's driver's license and proof of insurance must be provided to the School Office. Parents who volunteer to drive or otherwise supervise students are requested not to bring any other children with them (i.e. siblings).

Students are expected to display their best behavior when traveling away from School. This reflects a positive reputation for Oak Hall in the community, provides for a safe outing, and develops a sense of pride in our students.

It is important to note that leading up to a field trip, if a student's behavior, standard of work, or effort is unsatisfactory, s/he may be excluded from participating in the field trip. If this occurs, no refund will be given for any parental cost incurred.

Finances

All financial information and billing transactions are handled under the direction of the School's Business Manager. Information concerning issues of financial assistance, scholarships, Extended Day, tuition billing or financial donation is available through the business office, between the hours of 8:00 AM and 4:00 PM. **The School accepts payment via cash, check, Venmo, PayPal, credit card. Please note that a convenience fee (3%) will be charged for Venmo, PayPal, and credit card payments.**

Tuition

Tuition and fees are payable in full by July 1 before each school year begins. The enrollment fee for the appropriate grade is due in full in order to secure a place for the next school term. This fee is non-refundable. The School offers participation with a tuition management organization for those parents needing to make monthly or quarterly payments. Report cards and records can be withheld if all fees have not been paid.

Tuition Delinquency

Families are expected to fulfill their tuition obligations according to the payment schedule selected at enrollment.

Families utilizing FACTS for monthly tuition payments are responsible for ensuring that sufficient funds are available for each scheduled withdrawal. If a monthly FACTS payment is declined three (3) times, the family will have 30 calendar days from the date of the third declined payment to bring the account current. If the account is not brought up to date within that period, the student's enrollment may be canceled.

Families paying tuition by semester or quarterly installments who fail to make a scheduled payment will have 30 calendar days to bring the account current or to make satisfactory

arrangements with the Business Office, including, if required, enrolling in a FACTS monthly payment plan. Failure to do so may result in cancellation of the student's enrollment.

The School recognizes that unexpected financial hardships can occur and is committed to working with families whenever possible. However, communication is essential. Families experiencing financial difficulty are expected to contact the Business Office promptly, before their account becomes seriously delinquent, to discuss their circumstances and explore available options. The School cannot assist families who do not communicate regarding their financial obligations.

The School reserves the right to withhold report cards, transcripts, student records, and participation in re-enrollment until all financial obligations have been satisfied.

Continued enrollment is contingent upon maintaining a tuition account in good standing or adhering to an approved payment arrangement established with the Business Office.

Financial Aid

Financial aid is available for students enrolling in Preschool – Eighth Grade, and its award is based upon need and availability of funds. All applicants must fill out and submit a financial aid application to the FACTS organization by the published deadline in order to be considered for assistance. An Application for Enrollment form must be completed and enrollment fee paid before applications can be given for financial assistance.

Families are encouraged to apply for the Parental Choice Tax Credit before submitting an application for Financial Aid. Please note that Financial Aid awards are not intended to bridge the gap between the tax credit and full tuition and fees.

Oak Hall Episcopal School does not discriminate on the basis of gender, race, color, religion, national origin, or any other protected category in administration of its Financial Aid.

Food Service

Cold breakfast is available from **7:30–7:50 a.m.** Each item costs **50 cents**. Students may choose from:

- Dry cereal
- Milk
- Apple juice or Sunny D
- Cereal bar

Students must bring breakfast money daily. Breakfast accounts are not issued.

Students may participate in the School lunch program or bring a lunch from home. A student may purchase a hot lunch for \$4.50 each day. An adult may purchase a hot lunch for \$5.00.

Parents may purchase lunch cards in the School Office in increments of five (5) lunches. A monthly menu is published toward the end of each month for the upcoming month and is posted on the School's website. Parents will be notified via email from the School Office as the student begins to need more lunches. **After five (5) overdue lunches, children requesting hot lunch will be provided with an alternative until the account is out of arrears.**

Lunches from home should be nutritious and simple, so children can manage their own preparation, eating and clean up. Milk is available for \$.50 and water is offered at no cost. A microwave is available for heating food, but this practice limits the student's time for eating.

We ask that glass containers not be used. No candy of any kind is permitted. Caffeinated beverages are permitted at lunch for Middle School students only.

Parents are invited to join their child for lunch at any time. Please let the child's classroom teacher know or call the School Office so the lunch count will be accurate.

Fundraising

No collections, offerings, or fundraising activities may take place without approval of the Headmaster.

Lockers

Students are provided with assigned lockers for storage of books and personal belongings. The School is not responsible for personal property and valuables stolen from lockers.

Lost and Found

A "Lost and Found" box will be kept in the School. Articles not claimed are donated to charity twice a year.

Messages

In order to diminish interruptions during prime class time, we ask that messages be sent to the Office for pick-up or relaying to the classroom at convenient times.

Parties

In School

Each class will have a variety of parties and celebrations which may include a Harvest party, Christmas party, Valentine's party, and Easter party sponsored by the homeroom parents. Classroom parties will usually be held during the last 30-45 minutes of the school day. Parents may bring a treat to help celebrate a student's birthday; however, please keep these simple and easy to distribute, making sure there is enough for every child in the class. **No treat bags/goody bags should be distributed.** Parents need to make arrangements with the teachers if they are planning to send in a birthday treat. If birthday treats are intended to take the place of lunch, parents must give the Food Services Manager two weeks' notice. Children will be honored for their birthdays at the bi-weekly Hoot and Holler assembly, and children celebrating birthdays will also receive a special blessing at the Wednesday chapel service that week.

Any flowers or balloons etc. delivered to the School for a student will be kept in the School Office until after school, when the student may pick them up.

Out of School

Invitations to private parties may only be distributed on our campus if the entire class is invited; otherwise, parents should notify children of a party through mail or by telephone. Likewise, children should refrain from discussing upcoming parties at School. We discourage parents from excluding classmates from parties as this may result in hurt feelings.

Responsibility for Materials

Any student who loses or destroys School property or another person's property at School will be held liable for replacement or payment for the property destroyed and, at the same time, will be subject to such further disciplinary action as befits the circumstances.

A major part of every student's education is learning to be responsible for his or her belongings. All items and clothing should be labeled with the student's name.

Holding a student accountable for his or her books, papers, notebooks and other objects needed to accomplish schoolwork is a major task for teachers. To aid in this process, the School requests that parents help their children develop systems and procedures to monitor their own belongings and responsibilities. Having a student check to see if everything is present in the morning before leaving for School and having a special place to put their School materials at home will aid the development of good habits. Students will not be allowed to call home for forgotten items.

The School urges parents **not** to bring forgotten notes, lunches, homework, etc., for their children. This is the student's responsibility. Learning and growth in maturity are served best if the student discovers the reality of consequences.

Student Health and Emergency Information

Required Forms

These forms must be in each student's file in the School Office or attendance will not be allowed:

1. Application for Enrollment;
2. Signed contract;
3. Medication form;
4. Updated immunization record or Exemption form;
5. Authorization for Medical Care of a Minor form;
6. PR Release; and,
7. Emergency Card.

Health

All students must have on file in the School Office an up-to-date immunization record signed by a physician, as is required by the Oklahoma State Health Department. Please notify the office when your child receives an additional injection so that we may keep the records current and so your child will not be excluded from School. If your family chooses not to immunize, an Oklahoma Immunization Exemption Form must be on file in the office. This form may be obtained from the School Office.

Guidelines for keeping children at home

Parents should not send a child to School if s/he:

- is too sick to participate in the daily program, including outdoor recess;
- has a fever or has had a fever within the last 24 hours;
- has had vomiting or diarrhea in the past 24 hours;
- has excessive nasal discharge;
- has a constant cough; and/or,
- has symptoms of a communicable disease (i.e. red eyes, sore throat, rash, fever).

Children should be symptom and/or fever free for 24 hours without fever reducer before returning to School.

*During times of epidemic, the School may alter this policy or require a physician's note before the student can return to School.

Health Excuses

If a child must be excused from participation in PE or any other regular activity, the parent must contact the School Office and/or Coach Cathy. For extended absences (3 days or more) from PE, the child must have a written excuse from the doctor.

Communicable Diseases

In the event any student has a communicable disease, the parents are expected to notify the School and to keep the student out of School in accordance with the following regulations:

Chicken Pox

Isolate and exclude from School until free from fever, crust has formed and no evidence of a secondary infection.

Head Lice

Children will be sent home if live lice and/or nits are identified. Information will be provided on treatment to be done at home. Children may return once lice and/or nits are treated and no longer present.

Measles (Measles, Fifth disease and similar illnesses)

May return to School when free from rash, or five days after rash appeared, with note from doctor.

Mumps

Exclude from School until all swelling is gone. No restriction on contact with other children.

Pink Eye

Exclude from School until redness and drainage are gone.

Respiratory Virus

Exclude from School for at least 24 hours, returning to class when the symptoms are improving overall **and** the child is fever free for 24 hours without fever reducer.

Families of exposed children will be notified by School when a severe contagious disease occurs. Parents will be informed immediately in case of accident or if their child is not well. Students who become ill during the school day will have their temperature taken. If the temperature is normal and the child feels better after a rest, the student will most likely return to class. If the student has a fever of 100° or higher, the parents will be notified and the student sent home. **Students who do not feel well should never leave the School until the School Office is notified.**

If your child needs to have medicine administered during the school day, it must be delivered to the School Office with specific instructions for its use. As a rule, the School will not dispense any type of medication to students unless proper written permission and instruction is on file in the School Office. If a student requests over-the-counter medications, the School will contact the parent for verbal permission before dispensing such medications.

Medications such as inhalers or epinephrine injections that are necessary for time-sensitive, life-threatening emergencies may be kept in the possession of the teacher in the classroom. Keeping in mind we have students who have severe, life-threatening food allergies, please liaise with your child's teacher or homeroom mom about appropriate daily snacks or party food.

Minor Emergency

Two emergency names and phone numbers and a local doctor's name and phone number must be on file in the School Office for each student. These persons may be called in an emergency in case the parents cannot be reached. The Authorization for Medical Care of a Minor form must be on file in the School Office. School personnel can only treat minor cuts and bruises. Parents will be notified in case of illness or accident. When parents must be out of town, please leave information in the School Office as to where the child is staying and whom to contact in case of emergency.

Severe Injury Policy

In the case of severe injury, every effort will be made immediately to contact the parents. In the unlikely event that contact could not be made, the School would exercise the use of the Authorization for Medical Care of a Minor form that is kept on file in the School Office. It is vital that this form is on file in the School Office and that it is up-to-date.

Suspected Abuse

According to Oklahoma Law, persons required to report suspected child abuse are teachers, school officials, and day care center workers.

Supplies

The School works with an external company to shop and deliver student classroom supplies. This means shopping for any additional classroom supplies during the year should be minimal. The cost for each grade's supply box varies and the School Office will inform parents of the cost prior to the Meet, Greet & Complete.

Telephones

The School telephone is to be used for School business. Please do not ask the office to get messages to your child, except in cases of emergency. Teachers cannot be called to the telephone during class time.

Students are not permitted to make calls except in emergency situations. In most cases, students will not be allowed to call home for forgotten items. Students may not use the telephone during the day to rearrange afternoon carpool plans unless permitted by office personnel.

Uniform & Dress Codes

Preschool and Pre-K classes spend most of their day in active learning. These children should be dressed in comfortable play clothes. Athletic shoes are strongly encouraged as play includes Motor Development and recess time outside. **For safety reasons no flip flops may be worn.** A set of spare clothes, including underwear, should be kept at School. Guidelines for hair, jewelry, and makeup are below.

All students in Kindergarten – Fifth Grade are required to adhere to the School's uniform code. Middle School students follow the School's dress code. Please refer to the uniform code at the back of this handbook for specific uniform requirements or Middle School dress code guidelines.

Any student violating the School uniform code or dress code will receive a Uniform Violation Notice. After three such notices, the student will lose the Friday uniform privilege and parents will be notified.

Hair/Jewelry/Makeup

Hair for both boys and girls must be kept neat and of a reasonable length (no longer than top of collar and not below eyebrows for boys; girls must keep bangs out of their eyes). Hair must be clean and combed. Any unnatural hair coloring, feathers, beads, or colored tips are not permitted. Facial hair is not permitted.

Girls may wear simple necklaces and stud earrings or close-fitting loops. Watches and simple bracelets may be worn provided such items are not distracting.

Makeup is not permitted for any girl in Early Childhood or Elementary School. Middle School girls may wear minimal, natural looking makeup only.

Nail polish for all girls should be natural or light colored, and fake (including gel, acrylic, synthetic, and plastic) nails should not be worn.

Earrings, Makeup, and Nail polish are not permitted for boys.

It is expected that the choice of dress or grooming will not disturb, disrupt, or interfere with the classroom and/or learning environment; and shall not create a health or other hazard to the student's safety or to the safety of others. Because it is impossible to encompass every eventuality of dress and appearance, the judgement of the Headmaster is final in these matters.

Volunteers

Parent volunteers are welcomed and encouraged at Oak Hall. Teachers utilize parents in many different ways. Please contact the office if you are interested in volunteering at the School. Due to confidentiality requirements, parent volunteers are typically not permitted to work *in* the First - Eighth Grade classrooms, but are provided tasks to be done in the workroom or the library. Teachers may also call on parents to assist with special classroom events, projects or parties, or to share a talent or profession with the class.

Any parents wishing to simply observe their child's classroom during a time of academic instruction should schedule the observation through the School Office. Parents should keep in mind that some children become very distracted when their parents are observing, therefore the observation may not reflect typical classroom performance.

ACADEMIC POLICIES

Academic Standards

Students are expected to meet standards of achievement in academic work, in daily attendance, and in maturity before promotion to the next grade. Using observations recorded by faculty and staff and/or other testing instruments, the Headmaster has the final decision on the placement of students.

Artificial Intelligence

At Oak Hall Episcopal School, we believe that learning is a process of growth, discovery, creativity, and faithful stewardship of the gifts God has given each person. Students are expected to complete their work honestly and to demonstrate their own understanding, effort, and original thinking.

The use of generative artificial intelligence (AI) tools, including but not limited to ChatGPT, Gemini, Copilot, and similar applications, is not permitted for any academic or school-related purpose unless specifically authorized by the School. All assignments, essays, projects, assessments, and other work submitted by students should reflect the student's own learning, thinking, and effort.

The inappropriate use of AI is inconsistent with the School's expectations regarding academic integrity, personal responsibility, and Christian character and may result in academic or disciplinary consequences.

Computer Access

Students are given many opportunities to utilize school computers. An Acceptable Use as well as an iPad Agreement must be signed before access to the computer lab will be granted. A violation of this agreement will result in the loss of school computer use. Other consequences may also be applied.

Loss of computer/iPad privileges at School will require the student to complete the necessary work in another format or digitally at home.

Grading

Kindergarten – First Grade

Progress reports are issued at the end of each quarter, beginning in the second quarter. Students receive grades on the following scale:

4	Exemplary
3	Proficient
2	Developing
1	Emerging
N	Not Applicable

Second – Fifth Grade

Report cards are given four times a year at times noted on the school calendar. Grades are issued according to the following scale:

A	92 – 100
B	83 – 91
C	74 – 82
D	65 – 73
F	64 and below

Skills Grades

4	Exemplary
3	Proficient
2	Developing
1	Emerging
N	Not Applicable

Sixth through Eighth Grade

Report cards are given four times a year at times noted on the school calendar. Grades are issued according to the following scale:

A	92 – 100
B	83 – 91
C	74 – 82
D	65 – 73
F	64 and below

Skills Grades

4	Exemplary
3	Proficient
2	Needs Improvement
1	Unsatisfactory
N	Not Applicable

Homework

At Oak Hall Episcopal School, we encourage homework to be a way of communicating learning between home and School, allowing children to consolidate their understanding and develop routines that will help them in their current grade and prepare them for the next. Homework is an important part of learning to become an independent, life-long learner. It is expected that all students will complete their homework independently to the best of their ability.

Students in First – Fifth Grades will bring home a student planner that needs to be reviewed daily by parents. The planner includes all short-term and long-term assignments. To help develop students' organizational skills, parents and teachers should check daily to make sure the planner is being utilized and the student is completing the work.

Aims:

1. To practice work covered during the day, consolidate understanding of recently taught concepts, aid development of essential skills and/or provide extra interest and stimulation;
2. To prepare for the next lesson;
3. To catch up the work missed during the day (at teacher's discretion);
4. To promote the development of independent, organized work habits; and,
5. To allow parents a window into the schooling process. Ideally, homework will aid the link between School and home.

Time Spent

We believe that homework should be part of a balanced approach that allows children time to be children, to have down time, family time, and time for activities and recreation. At the beginning of each school year, the individual classroom teachers will outline the expectation for the approximate window of time homework should take each night. Please note that this timeframe does **not** include daily reading, and that it will be increased by test preparation and/or homework assigned Special Area teachers.

Parental Involvement

Generally, most children should not need assistance to complete homework tasks. Parents do, however, have a significant role to play in helping their child(ren) to develop positive homework habits. Parental support is vital, and this includes:

1. Being positive and interested in homework, whilst encouraging a balance of work, play, and other activities such as dance and sport;
2. Setting a regular time for the work to be done;
3. Creating a home environment that assists children when completing homework, by ensuring that your child has a desk or table at which to work in a quiet space without distractions;
4. Ensuring that the work is completed to the best of the child's ability; and,
5. Signing worksheets and forms to show work has been completed and checked.

For younger children, those new to the School, or students who have difficulty with homework, parents may also wish to assist by:

1. Checking the diary to establish what work needs to be done;
2. Helping the child to organize time so that the work is completed;
3. Monitoring the work and showing a positive interest;
4. Actively assisting with the work, only when assistance is obviously needed; and,
5. Communicating, by letter or in person, with the relevant subject or class teacher about any difficulties.

Policy for Late Homework:

Second Grade	One-day grace period per quarter. Then, complete assignment during recess.
Third Grade	One-day grace period for first offense. Then, complete assignment during recess.
Fourth Grade	One-day grace period for first offense. Then, complete assignment during recess.
Fifth Grade	One-day grace period for first offense. Then, complete assignment during recess.
Middle School	10 points deducted per day (maximum of two days). Then referred for an Academic Intervention.

Policy for Incomplete Homework (including no name):

Second Grade	5 points deducted beginning third quarter.
Third Grade	5 points deducted for no name. Incomplete homework will be finished during recess.
Fourth Grade	5 points deducted for no name. Incomplete homework will be finished during recess.
Fifth Grade	5 points deducted for no name. Incomplete homework will be finished during recess.
Middle School	10 points deducted per day (maximum of two days). Then referred for an Academic Intervention.

Academic Interventions

Academic Interventions apply to Middle School students when classwork and/or homework are incomplete or unsatisfactory. It requires a student to utilize Study Hall and/or stay after school in order to catch up on missing work. By doing this, the student minimizes the percentage being deducted for lateness (10% for each day), s/he does not become overwhelmed by the amount of work that is due (new work will continue to be assigned and due), and if playing sports or participating in a fine arts program through the co-operatives with Dickson or Ardmore, the student has a better opportunity to remain eligible to practice and compete.

The policy is reviewed with parents at the Middle School Parent Orientation and with students on their first day of the school year.

Parent Concerns

Please note that any parent concerns regarding homework should be addressed directly to the teacher who set the homework.

If your child has demonstrated effort and application for the designated time, then that shall be deemed suitable. If a child is unable to complete the homework in the designated time, the parent should write a short note to communicate this to the class or special area teacher.

See **ABSENCES AND TARDIES**

Library

The mission of the library media program is to ensure that students and staff are effective users of ideas and information. The library collection endeavors to respond to the curricular and instructional needs of the School with a full range of print, non-print, and electronic resources. Access to materials from other libraries is provided whenever possible. Resources available on the Internet are selected by the Librarian or teachers using electronic resources selection criteria. Information seeking skills are taught at a moment of need through cooperative planning between teacher and the Librarian.

Classes are scheduled to insure that everyone visits the library at least once a week. In addition, children may visit the library before and after school with parental supervision.

Books are checked out for one week with the option to renew. Books for leisure reading are limited to two with no limit on books needed for assignments. There are no fees for overdue books, but payment is expected for books that are lost or damaged.

Oak Hall respects the rights of all library users by adhering to the tenets expressed in the Oklahoma law protecting the confidentiality of library users' records.

Promotion of Students

A student is promoted each year on the recommendation of the teacher and the Headmaster. An evaluation of the student's progress will consider the academic, emotional, and physical development of the student. There are times that, in the best interest of the student, the School recommends the child does not progress to the next grade, but rather is given the gift of time, and therefore will only be accepted for re-enrollment in the same grade level.

Absenteeism, regardless of whether this is excused or unexcused, may affect promotion to another grade. If a student does not meet minimum requirements for advancement to the next grade level, the student will be accepted only for re-enrollment in the same grade level.

If placement cannot be determined by spring pre-enrollment, a "hold" may be placed on the student's enrollment contract for the upcoming year. In this case, a place will be reserved for the student in his/her current grade and in the next grade. After more observation time and a developmental screening if necessary, a decision will be made and placement will be secured in the appropriate grade.

The School values the insight and perspective of parents and is committed to working collaboratively with families when considering a student's grade placement. Such decisions are made thoughtfully, taking into account the student's academic progress, social and emotional development, and overall readiness for success. While parental input is an important part of the process, the final determination regarding grade placement rests with the Headmaster, whose decision is made in the best interests of the student and the School community.

Standardized Testing

The NWEA MAP Testing is administered to students in First – Eighth Grades three times during the school year. Standardized tests are given to help monitor a student’s progress and allow parents and educators to develop strategies for continuing to build knowledge and skills.

When appropriate, the Gesell Development Test is administered to any Preschool – Kindergarten student whose appropriate grade placement is in question. This test aids the teacher in determining the strengths and needs of the child and determines developmental readiness for matriculation into the next grade.

2026-2027 UNIFORM POLICY & DRESS CODE

UNIFORM POLICY

Early Childhood

Students in Early Childhood classes spend most of their day actively learning. These children should be dressed in comfortable play clothes. Athletic shoes are strongly encouraged as play includes Motor Development and recess time outside. For safety reasons no flip flops may be worn.

The Oak Hall Friday shirt must be worn for field trips unless otherwise notified by the School.

Kindergarten – Fifth Grade

Uniforms will be worn every day except Friday. There will be other times during the year when students may earn free dress days.

Girls

- | | |
|----------|--|
| Chapel | To be worn on Wednesdays and some field trips.
Jumper – Hunter/Classic Navy-blue Plaid (must be purchased from Lands' End)
<u>NO SKIRTS.</u>
White knit blouse with Peter Pan collar (long or short sleeve).
Black or navy-blue modesty shorts (for under jumper).
Solid white socks (no logo except for the Oak Hall logo) and black or navy-blue leggings or tights (if needed due to temperature). No athletic-style tights or leggings.
Mary Jane or Saddle shoes in white and navy-blue or black (skid resistant soles). |
| M, T, Th | Khaki shorts, pants, A-line skirt or skort, NO JEGGINGS (<i>shorts, skirts and skorts must be no shorter than a dollar bill's width from the mid knee</i>)
* FIRST – FIFTH GRADE – SHORTS & PANTS MUST HAVE BELT LOOPS!
Solid color polo shirt in white, navy-blue, or red (long or short sleeve).
Solid white socks (no logos except for the Oak Hall logo) or opaque white, navy-blue, or black tights or leggings.
Solid navy-blue or red polo dress (long or short sleeve). <i>Polo dresses must be no shorter than a dollar bill's width from the mid knee.</i>
Lands' End Mocs, Mary Janes or loafer shoes in black, navy-blue, marine blue, tan, or mahogany. Simple athletic shoes (no characters, lights, etc.) are also allowed. |

No clogs, boots, flip flops or sandals are permitted.

Plain brown or black belts are required with pants, shorts, skorts, and skirts that have belt loops (except Kindergarten).

BLACK OR NAVY-BLUE MODESTY SHORTS MUST BE WORN UNDER DRESSES AND SKIRTS.

Boys

Chapel	To be worn on Wednesdays and some field trips. Khaki pants or shorts (NO CARGOS). * FIRST – FIFTH GRADE – SHORTS & PANTS MUST HAVE BELT LOOPS! Blue Oxford button-down dress shirt (long or short sleeve). Optional – Navy-blue blazer or sports coat. Hunter/Classic Navy-blue Plaid tie (must be purchased from Lands’ End). Solid white or black socks (no logos except for the Oak Hall logo). Black or brown dress shoes, buckskin loafers, or boat shoes (no Sanuks). Plain Black or brown belt (except Kindergarten).
M, T, Th	Khaki pants or shorts. Khaki cargo pants with minimal pockets (no parachute pants, wind pants, sweats, or zip-off pants). * FIRST – FIFTH GRADE – SHORTS & PANTS MUST HAVE BELT LOOPS! Solid color polo shirt in white, navy-blue or red (long or short sleeve). Solid white or black socks (no logos except for the Oak Hall logo). Lands’ End Mocs, loafers or Oxford shoes in black, navy-blue, marine blue, tan, or mahogany. Simple athletic shoes (no characters, lights, etc.) are also allowed. <u>No clogs, boots, flip flops or sandals are permitted.</u> <u>Plain</u> black or brown belt if pants/shorts have belt loops (except Kindergarten).

NOTES:

1. Polo shirts, dresses, khaki pants, shorts, skirts, and skorts not purchased through the official uniform company, Lands’ End, must still meet and comply with the uniform code. The everyday uniform items may be purchased from any store i.e.: Old Navy, GAP, JCPenney, and Target.
2. The School does receive 3% of all “school catalog” sales at Lands’ End whether by Internet or phone order. **OUR PREFERRED SCHOOL NUMBER ID IS 9000-84260. This number must be mentioned during phone orders, or entered on Internet orders for the School to receive the 3% credit.**

Students are expected to present a neat and clean appearance in keeping with the high standards of students who attend Oak Hall Episcopal School. Please refer to the Student/Parent Handbook for consequences for students in violation of the Uniform Code.

Friday Dress Code for All Kindergarten – Fifth Grade Students

Blue jeans or jean shorts that are neat – without embroidering, “bedazzling”, holes, or frayed edges (*shorts, skirts, and skorts must be no shorter than a dollar bill’s width from the mid knee*).

The Oak Hall Friday t-shirt (current design) and School approved t-shirts provided by the Parents' Association may be worn unless otherwise designated.

Shoes as outlined in the regular uniform policy.

BELTS MUST BE WORN ON FRIDAY AS WELL.

Additional Uniform Rules

Shirts must be tucked in at all times.

Chapel uniform may be worn any school day.

No sweatpants are permitted for regular uniform, Chapel uniform, or Friday dress.

The only writing that is acceptable on any uniform clothing is the Oak Hall logo.

Cold Weather Uniform Standards

Students may wear any kind of coat to School – does not have to be an Oak Hall jacket.

Students must keep their coats in their lockers during school hours. Coats will not be worn in classrooms.

Students may wear red, white, or navy-blue cardigans or sweater vests. Navy-blue, red, white, or gray zippered hoodies may be worn. No logos other than the Oak Hall logo.

Students may wear Oak Hall crewneck logo sweatshirts, but must wear a uniform polo underneath the sweatshirt. **Hooded pullover P.E. sweatshirts are not permitted to be worn other than in P.E. class.**

P.E. Uniforms

P.E. uniforms are required for all students in Third – Fifth Grade. Students will change into these uniforms in the afternoon for P.E. and stay in them for the remainder of the day. These uniforms should be ordered at the Meet, Greet & Complete evening. Students in Kindergarten through Second Grade will not change for P.E. **Athletic shoes are required for all students in First – Fifth Grade for P.E.**

Hair/Jewelry/Makeup

Hair for both boys and girls must be kept neat and of a reasonable length (no longer than top of collar and not below eyebrows for boys; girls must keep bangs out of their eyes). Hair must be clean and combed. Any unnatural hair coloring, feathers, beads, or colored tips are not permitted. Facial hair is not permitted.

Girls may wear simple necklaces and stud earrings or close-fitting loops. Watches and simple bracelets may be worn provided such items are not distracting. Earrings are not permitted for boys.

Makeup is not permitted for any girl in lower school (Kindergarten – Fifth Grade).

Nail polish for the girls in Kindergarten – Fifth Grade should be natural or light colored, and fake (including gel, acrylic, synthetic, and plastic) nails should not be worn.

It is expected that the choice of dress or grooming will not disturb, disrupt, or interfere with the classroom and/or learning environment; and shall not create a health or other hazard to the student's safety or to the safety of others.

Because it is impossible to encompass every eventuality of dress and appearance, the judgement of the Headmaster is final in these matters.

MIDDLE SCHOOL DRESS CODE

Middle School (Sixth – Eighth Grade)

The students in our Middle School abide by a dress code that is separate from the Uniform Code implemented in the Lower School. With enrollment in the Middle School, students follow a dress code that reflects the high standards of Oak Hall. The dress code focuses on attire and appearance that are neat, clean, and age-appropriate. The School believes that students behave to some degree in accordance with their dress. Excessive informality is conducive to casualness and decreased motivation, while excessive formality may inhibit creativity and kinesthetic learning. The dress code for the Oak Hall Episcopal School Middle School attempts to find the middle ground.

Girls

- Chapel *To be worn on Wednesdays and some field trips*
Hunter/Classic Navy-blue Plaid TOP OF THE KNEE BOX PLEAT Skirt (**must be purchased from Lands' End**).
White button-down Oxford shirt.
School uniform girls cross tie in NAVY-BLUE (**must be purchased from Lands' End**)
Solid white socks (no logos except for the Oak Hall logo) and black or navy-blue tights or leggings (if needed due to temperature). No athletic-style tights or leggings.
Low-heeled Plain navy-blue or black dress shoes; saddle shoes in white and navy-blue or white and black.
Optional – Navy-blue blazer, navy-blue cardigan, or navy-blue V-neck sweater.
Logoed, colored, or casual outerwear is not permitted to be worn with the Chapel uniform.
- M, T, Th Jeans, capri jeans or jean shorts without embroidering, “bedazzling”, holes, or tears
OR any slacks, shorts, dresses, or skirts of appropriate length.
Plain brown or black belt.
Any modest blouse or dress shirt with a crewneck or traditional collar.
(NO T-SHIRTS)
Sweaters may also be worn.
Low-heeled dress shoes, athletic shoes, or boots (no spurs!) – no flip flops, Crocs etc.
- Friday The Oak Hall Friday t-shirt (current design), School approved t-shirts provided by the Parents' Association, and Middle School trip t-shirts may be worn unless otherwise designated.

Boys

- Chapel *To be worn on Wednesdays and some field trips*
Khaki pants or shorts (NO CARGOS).
White button-down Oxford shirt.
Evergreen & Navy-blue STRIPED tie (**must be purchased from Lands' End**).
Plain brown or black belt.
Solid white or black socks (no logos except for the Oak Hall logo).

Black or brown dress shoes, loafers, or boat shoes (no Sanuks).

Optional – Navy-blue blazer/sports coat or navy-blue V-neck sweater.

Logoed, patterned, colored, or casual outerwear is not permitted to be worn with the Chapel uniform.

- M, T, Th Jeans or jean shorts with no holes or tears OR any slacks, trousers or shorts of appropriate length.
 Plain brown or black belt.
 Any shirt with a two-point traditional collar (such as polo shirts or dress shirts – **no athletic style t-shirts**), or Henley shirt, or crewneck sweaters may also be worn.
 Dress shoes, athletic shoes, or boots (no spurs!) – no flip flops, Crocs etc.
- Friday The Oak Hall Friday t-shirt (current design), School approved t-shirts provided by the Parents' Association, and Middle School trip t-shirts may be worn unless otherwise designated.

P.E. Uniforms

Students in the Middle School division are required to change into athletic wear for P.E. each day. Middle School division students may wear any t-shirt (no offensive words or pictures) and **black** athletic shorts, sweats or workout pants. Traditional black P.E. shorts, sweats and green P.E. t-shirts are also acceptable and can be purchased through the School Office. **Athletic shoes must be worn in P.E. class each day.**

NOTES:

1. Plain black or brown belts are required with pants or shorts.
2. Unless otherwise permitted, shirts are to be tucked in at all times.
3. No tank tops, halters, or spaghetti straps permitted.
4. Sweatshirts and hoodies*, with a collared shirt underneath, may be worn in the classroom during cold weather.
5. Overly large or excessively baggy sweatshirts, hoodies, and other forms of outerwear may not be worn.
6. Coats/jackets may not be worn in the classroom.

* See the expectation when Chapel uniforms are worn.

Hair/Jewelry/Makeup

Hair for both boys and girls must be kept neat and of a reasonable length (no longer than top of collar and not below eyebrows for boys; girls must keep bangs out of their eyes). Hair must be clean and combed. Any unnatural hair coloring, feathers, beads, or colored tips are not permitted. Facial hair is not permitted.

Girls may wear simple necklaces and stud earrings or close-fitting loops. Watches and simple bracelets may be worn provided such items are not distracting. Earrings are not permitted for boys.

Middle School girls may wear minimal, natural looking makeup only.

It is expected that the choice of dress or grooming will not disturb, disrupt, or interfere with the classroom and/or learning environment; and shall not create a health or other hazard to the student's safety or to the safety of others.

Because it is impossible to encompass every eventuality of dress and appearance, the judgement of the Headmaster is final in these matters.
