JOB DESCRIPTION SPANISH TEACHER

Oak Hall Episcopal School (OHES) seeks a suitably qualified part-time Spanish teacher for the 2025-2026 school year. The position commences August 4, 2025.

The ideal candidate will be an experienced classroom Spanish teacher who will bring his/her understanding of pedagogy and classroom management to this role. It is crucial that the teacher is flexible, organized, and a "team player", and someone who is always looking for ways to provide opportunities for children to grow academically, spiritually, socially, physically, and emotionally. Experience with a wide range of age-groups would be highly beneficial.

Sadly, it has been a number of years since Spanish has been offered as a subject. At that time the position was 14 hours per week, and the subject was taught to Second Grade – Eighth Grade. The reimagining of the subject means that the successful candidate will have ample opportunity to develop a language program: perhaps it will start with children in Preschool and Pre-K; maybe it will become an elective for the Middle School students. The number of hours per week will depend upon the new vision.

Additional Responsibilities Include:

- Support the School's mission and Episcopal identity;
- Ensure appropriate and available technology is integrated into the Spanish curriculum;
- Assist in providing information for any Spanish specific grant applications;
- Assist with "door duty" each morning;
- Attend faculty meetings as scheduled;
- Participate in, and contribute to, other School activities and events, a small number of which occur outside the regular school day;
- Attend professional development workshops and trainings; and,
- Any other duties as assigned by the Headmaster.

There is also the potential for the successful candidate to teach Owl University (afterschool program) sessions. This attracts additional remuneration.

Requirements:

- Fluent speaker of Spanish;
- Bachelor's degree (master's preferred) in a relevant field of teaching Spanish language and/or education, or relevant State certification;
- Classroom teaching experience;
- Ability to organize time and prioritize tasks;
- Strong interpersonal and written/verbal communication skills;
- Computer proficiency;
- Genuine affinity for working with children and families in an educational setting; and,
- Sense of humor.

The successful candidate will be required to pass a background check and complete the school modules of the Safe Church program, and CPR/AED training.
