

# Oak Hall Episcopal School

## Summer Reading List

*for students entering: Second Grade*

**2020-2021**

Second Grade will be utilizing Accelerated Reading (AR) Program. AR has your child reading at their independent reading level. It is important that children read at their reading levels to build fluency and comprehension. It's a great way to encourage reading and have a positive, fun experience. My goal is to foster the love of reading and motivate my students to reach their personal goals. "We shouldn't teach great books; we should teach a love of reading."-B.F. Skinner

Oak Hall students are lifelong and year-round learners! Summer provides many opportunities for our students to enjoy unforgettable books while practicing reading and comprehension skills. Please note the required title for your child's grade. This is the book your child's teacher will use during the first weeks of school. ***The required readings should be completed prior to the start of school. The library will be closed for circulation this summer due to the COVID-19 Pandemic. Each student will be provided their own copy of the required reading and a second novel to complete the required reading. If you would like to read a different book that what is assigned, you may purchase a book from the second novel list.***
