

Oak Hall Episcopal School

Summer Reading List

for students entering: Third Grade

2020-2021

Accelerated Reader, or "AR," will be one of many tools in Third Grade to measure comprehension and fluency. The AR point requirement will be set forth based on each individual child's reading ability and approximate level. As readers, we will read for information, enjoyment, and to overall expand our perspective on the world that surrounds us. Literature circles, book reviews, and reports will be assigned throughout the year to support our AR endeavors.

Oak Hall students are lifelong and year-round learners! Summer provides many opportunities for our students to enjoy unforgettable books while practicing reading and comprehension skills. Please note the required title for your child's grade. This is the book your child's teacher will use during the first weeks of school. ***The required readings should be completed prior to the start of school. The library will be closed for circulation this summer due to the COVID-19 Pandemic. Each student will be provided their own copy of the required reading and a second novel to complete the required reading. If you would like to read a different book that what is assigned, you may purchase a book from the second novel list.***
